FAQ

---

To feel more comfortable heading home, here are a few tips that could help: • Keep your doctor or cancer care coordinator's contact details handy.. You have a wonderful team of people looking after you and making sure everything is going the way it is supposed to.

Episode(s) Episode 040 - The End of the Power Rangers Part 2 When treatment is finished or has become less intensive and you're set to head home, it might suddenly seem a little scary to leave the hospital.. You can always call them if you're worried about something • Chat to a counsellor who understands, like a member of the • Make a list of any follow up appointments or tests.. Don't forget that on top of the skills and experience you already have, there are some really handy tips available for making that transition easier.

You may be surprised how little time it takes for a familiar argument to start about who's doing the dishes or what to watch on TV.. Family Going home can also mean being back with your family full-time, for the first time in a long time.. Give yourself and your family a chance to re-adjust If you can, talk about the changes and challenges, so you're dealing with them together.. Friends Heading home doesn't always mean you're ready to throw yourself back into life the same way. [Time Clock 1](#)
